

# Curriculum Vitae

(Last updated : 2020-04-13)

**Jehwi Jeon (전제휘)**

## Education

- Feb 2019 – present    **Ph.D. candidate (Advisor Prof. Pilhan Kim)**  
Biomedical Science and Engineering  
Korea Advanced Institute of Science and Technology (KAIST), Daejeon,  
Republic of Korea
- Feb 2016 – 2018    **M.S. (Advisor Prof. Jun-Hyuk Son)**  
Ophthalmology  
Yeungnam University, Daegu, Republic of Korea
- Feb 2008 – 2014    **M.D.**  
Collage of medicine  
Yeungnam University, Daegu, Republic of Korea

## Awards

2018, Best Poster Award in the Korean ophthalmological society academic conference, 119<sup>th</sup>

## Publications

Guardians' Perceptions of Pediatric Oculoplasty : Comparative Analysis in 2007 and 2017, J Korean Ophthalmol Soc. 2018 Aug;59(8):703-710

A Case of Isolated Conjunctival Lymphangioma Mimicking a Recurrent Conjunctival Cyst, J Korean Ophthalmol Soc. 2018 Jul;59(7):676-679

## Presentations

**Jeon J**, Hwang Y, Kim P, "Real-time Intravital Microscopy System for *In vivo* Retinal Blood Flow and Glial cell Imaging", Asia Pacific Retinal Imaging Society (APRIS) 2019, Seoul, Korea, July. 2019 (poster)

**Jeon J**, Uemura A, Kim P, "Intravital Retinal Imaging of Capillary Red Blood Cell and Microglial Cell", Annual Biophotonics Conference (ABC) 2019, Suwon, Korea, Nov. 2019 (poster)

**Jeon J**, Lee J, Uemura A, Kim P, "Intravital Cellular Level Retinal Imaging of Early Diabetic Retinopathy Model", Korea society of Vascular Biology and Medicine (KVBM), Daegu, Korea, Oct. 2019 (poster)

**Jeon J**, Hwang Y, Park I, Uemura A, Kim P, "Quantitative Intravital Imaging of Retinal Blood flow and Glial Cell in Ocular Disease Model" Optical congress 2019, Busan, Korea, July. 2019 (poster)

**Jeon J**, Cho E, Son J, "Comparative analysis of guardian's perceptions of pediatric oculo-plasty in 2007 and 2017" The Korean ophthalmological society 119<sup>th</sup>, Busan, Korea, Apr. 2018 (poster)

**Jeon J**, Kim H, Lee J, "Ultra-wide field indocyanine green angiography for mouse disease models", JPN-CHN-KOR international ophthalmology conference 2017, Seoul, Korea, Nov. 2017
